

PRESS RELEASE - PRESS RELEASE - PRESS RELEASE - PRESS RELEASE - PRESS RELEASE

The Annual Great North Classic Car Show is fast approaching bringing you even more events and more cars for enthusiasts of all ages. To be held at Beamish Valley's premier festival site, Black Horse Beamish, located in the picturesque Beamish Valley conservation area, this year's event takes place on Saturday, July 6th.

Featuring a host of historic high-performance cars and motorcycles, this family day out will for the first time boast a dedicated auction of cars and lifestyle automobilia. This event is the brainchild of Aston Workshop's Bob Fountain who says "This has been a long-held ambition of mine, to come up with an event to which families can come and enjoy a day out, with cars, entertainment and FUN in the North East. We had a grand day last year but, by moving the date from April to the summer, we are anticipating a far more spectacular event".

Along with the car show and Concours d'elegance competition, there will be a Gala Dinner in the famous Orchard Marquee featuring a Charity Auction, live music and five-course dinner, hosted by former Top Gear presenter and motoring journalist Steve Berry. Steve will be in attendance all day to answer those Top Gear questions that you have always wanted to ask.

Hi-lights of the day will include:-

- 1) After last year's success, this year's event more than doubles the number of exhibitors featuring over 400 cars.
- 2) Featured for the first time will be an on-site auction sale of prestige, classic, collectors and high-performance motor cars and automobilia. Entries are still open for this event. Contact Aston Workshop to be sure you don't miss out on this unique event.
- 3) A new feature will be "Concours d'elegance" featuring prestige cars competing for trophies and awards in special categories. Well known industry judges will preside.
- 4) The second annual Gala Dinner this year features popular guest speaker Steve Berry, formerly of Top Gear. The chosen charity this year is JPC Community Farm.
